Zensations Reopening June 29, 2020

We are open and scheduling!

Zensations is following NYS Mandatory Protocol to operate our business.

Some changes in Office Policies as follows:

Online Booking is available, however if you can't find a suitable time slot please call the office for assistance!

We require a credit card to hold your booking.

Zensations Service Menu is pared down to Your Custom Massage.
Facial massage is not allowed.

To serve you with the quality of care you deserve, our service fees have increased slightly.

For your massage session face masks are required to enter the building and must be worn during your whole session. There are no exceptions.

Staff are required to wear face masks and goggles or face shields.

You will find hand sanitizer in the entrance foyer, please use it upon arrival.

You will receive a digital health history form via text/email prior to your appointment. Simply fill it out and save. You don't need to send it back, it will be saved in the software.

There is the option to cash out prior to treatment if no other customers are at the desk.

For everyone's safety the water dispenser and coffee maker have been removed. Please bring what you need for your own hydration.

We are using just sheets currently so if you're prone to a chill during a massage, BYOB! Bring Your Own Blanket! Please have it bagged upon entry to the office.
