

COVID-19 UPDATE (UPDATED 1/2020)

zensations
therapeutic massage

We are open and scheduling!

Zensations is following NYS Mandatory Protocol to operate our business, keep you and ourselves safe.

Office Policies are as follows:

Online Booking is available, however, if you can't find a suitable time slot please call the office for assistance!

The hours of availability include longer time periods in between clients to ensure proper sanitation and aerating of treatment rooms.

We require a credit card to hold your booking.

For your massage session face masks are required to enter the building and must be worn during your whole session.

There are no exceptions.

Staff are required to wear face masks, an apron or smock, and goggles or face shields. These are changed after each client

You will find hand sanitizer in the entrance foyer, please use it upon arrival.

You will receive a digital health history form via text/email prior to your appointment. Simply fill it out. You don't need to send it back, it will be saved in the software.

There is the option to cash out prior to treatment if no other customers are at the desk.

For everyone's safety, the water dispenser and coffee maker have been removed. Please bring what you need for your own hydration. If you feel ill or exhibit any symptoms of flu please call us and cancel your appointment asap.

Again, we are doing all we can to maintain this as a safe workplace!
